Dear Ones,

January 2022

It is hard to believe 2021 is already over! It was an exciting year full of changes, transitions, and travel. I said "goodbye" to my students, took a trip to Liberia, resigned from the hospital and travel nursing company, visited churches in eight states, saw two young ladies get saved, saw one lady surrender to deaf ministry, had six new churches and two individuals take me on for support, and challenged countless others to begin reaching people groups that have long been forgotten or overlooked in evangelism.

In May, Monique and I got to visit Liberia together. I'm so thankful for that opportunity. God used that trip to begin knitting our hearts together and showing us His will for our ministry among the hearing, deaf, and those with special needs. I look forward to seeing how God will use us as individuals and as a team. Truly, we were created for such a time as this and such a work as this!

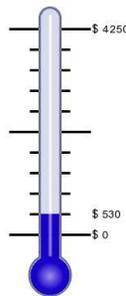

I began full-time deputation mid-July. It has been challenging and filled with many opportunities for growth. God has certainly been growing me in the areas of patience, faith, and prayer. It is so easy to get impatient in my desire to "get to the field and get to work" while forgetting that I am already doing my Father's work. So much of Jesus' ministry happened "as He was going" and as He was "in the way". If we are going to be like Christ, we can't be so focused on where we are going that we miss opportunities to know God and serve God right where we are. I look forward to the day I can be with my Liberian brothers and sisters. In the meantime, I intend to enjoy the journey and all that God wants me to see, learn, and do along the way.

Thank you all for your faithful prayers and support. Please, continue to pray for me as I pray for you. May 2022 be a year filled with spiritual growth and many souls coming to know Christ as their personal Savior!

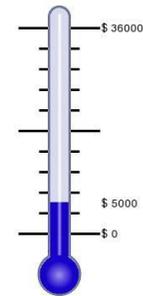

Your servant in Christ,
