Numbers 23:23c "...What hath God wrought!"

November 2022

Greetings Friends! "...Grace be unto you, and peace, from Him which is, and which was, and which is to come..." (Revelation 1:4)

I have **seen God working** and moving in very special ways over the last few months! As this is "Thanksgiving" month, I've been reflecting on all that God has done this year and have included a few snapshots from just the last few months. Please, **join me in praising God** for all He has done and is doing!

Thank you all for your prayers about **DeafNation World Expo!** The Bible tells us that Christians are the light of the world, and we are to let that light shine for others to see that they may glorify God. Las Vegas, Nevada is known as "**Sin City**". I'm so thankful God saw fit to send me and many others to reflect His light into such a dark place. There were three groups sharing the true gospel - Silent Word and two others. Between the three groups, we had 5 booths where we handed out thousands of tracts and gospel DVDs in various languages and had the joy of seeing **68 people accept Christ** as their Savior right there in "Sin City"! **What hath God wrought!!**

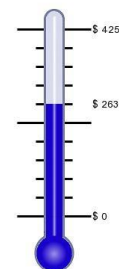

Thank you all for praying for my Sign Language to improve. I have been able to **present the ministry** in two deaf churches and **give the gospel** many times completely in **Sign Language** over the last few months. My favorite story from DeafNation was sharing the gospel with a **young deaf woman** named "Liz". We spent a good deal of time going through the gospel with a picture chart, wordless book, and Signs. I wish you could have seen her face when she realized Jesus, *who knew no sin*, took her sin on Himself so she would *not perish but have everlasting life*. She **admitted her sin** and **believed on Jesus** as her Savior! **What hath God wrought!!**

After a meeting in September, two ladies expressed a burden to begin a work for deaf with minimal language abilities. Several people from other churches are praying about how God would have them serve in missions, deaf ministry, or deaf missions. Just this month, I got to spend time speaking to students at a Christian college in my home state. I encouraged some to get involved in reaching the deaf and challenged others to deepen their relationship with God. I'm thankful for the honor and opportunity to invest in the lives of others and thankful God has given me little glimpses of how He is using me to impact lives for Him! **People are surrendering** to full-time service! People are **getting saved!** People are **seeking to know Him better!** **God is being glorified!** **What hath God wrought!!**

Thank you for your prayers regarding financial support. God has blessed greatly and has **raised over 60% of my needed support**. There is 62% coming in consistently each month and another 5% has been promised!! God has also provided about **60% of the lump sum needed** to move to and get established in Liberia. As I look back over the year, I can't help but marvel over God's provision and blessing. Raising over 50% support in 10 months has only one explanation - **God has done it!!!** The Lord also provided an enclosed trailer for storing and hauling anything I need to ship to Liberia. This was a huge answer to prayer as things were beginning to pile up at my parents' house. God is so good. **What hath God wrought!!**
